

VOUCHER

This Voucher entitles ----- to redeem a one day Glassmaking Workshop Session in the

STOURBRIDGE GLASSBLOWING STUDIO

Situated within The Ruskin Glass Centre, Wollaston Road, Stourbridge. DY8 4HF

Glassmaking Workshop Sessions (No previous experience necessary)

The classes are intended as an introduction to glass-making. Covering both blown glass - Vessels, and solid-formed glass - Paperweights. The classes will be informative and hands-on in a friendly/relaxed way. Each student will keep all pieces which they make on the day.

The classes will run from 9.30am to 4.30pm including a 1 hour break for lunch. Glass-blowing is physically demanding and working with hot glass (in excess of 1100°C) is potentially dangerous. This said, Health and Safety is vitally important and will be explained along with the use of tools and equipment. If you have a disability or medical condition which may limit your capacity to participate, please discuss this with us before you book. We reserve the right to advise you not to take part in the session if we feel it may compromise yourself or others safety.
